Spirit River Regional Academy Represented at Cross Country Provincials

The 2026 School Sport Alberta (SSA) Cross Country Provincials were held Saturday, October 17th, at Rundle Park in Edmonton, Alberta. Hosted by Metro Athletics, the event brought together student-athletes from across the province to compete in several age categories, including junior, intermediate and senior divisions, as well as Para events.

Congratulations to **Noah Martin** (#539) and **Levi Day** (#538), who proudly represented Spirit River Regional Academy (SRRA) at the provincial competition. Both athletes ran excellent races, demonstrating determination and sportsmanship while facing tough competition from across Alberta.

Well done, Noah and Levi! Your school and community are proud of you!

A Little Pumpkin Magic at Pleasant View Lodge

Residents recently embraced the spirit of the season during a festive pumpkin painting activity that filled the Pleasant View Lodge, in the Town of Spirit River, with creativity, laughter, and plenty of fall cheer.

Participants spent the day transforming pumpkins into colorful works of art, each one reflecting their unique personality and imagination. The activity encouraged social interaction, sparked conversations about favourite autumn memories, and provided an opportunity for residents to express themselves through art.

The painted pumpkins were proudly displayed throughout the lodge, brightening common spaces and bringing smiles to residents, staff, families, and visitors alike.

A special thank you goes to local good Samaritan, Darcy, whose generous donation of pumpkins made the activity possible. Community support plays an important role in helping create meaningful experiences for residents, and this thoughtful contribution helped make the day extra special.

Activities such as pumpkin painting are more than just seasonal fun. They foster creativity, connection, and a sense of accomplishment while helping residents stay engaged with both their community and the changing seasons.

Saddle Hills County Christmas Hamper Program Seeking Donations

Each year during the Christmas season, Saddle Hills County collects food and monetary donations to help local families and individuals in need through its Christmas Hamper Program.

While all donations are greatly appreciated, the following items are especially needed this year:

- Boxed mashed potatoes
- Gravy mix
- Cranberry sauce
- Dream Whip
- Pie filling
- Pie crusts
- Boxed stuffing
- Biscuit mix
- Canned vegetables

Frozen turkeys and hams are also needed and will be accepted closer to the December 14, 2026 deadline due to storage limitations.

Food and cash donations will be accepted beginning November 12, 2026. Donations can be dropped off at the County Office during regular business hours. **To donate or learn more, please call (780) 864-3760.**

Recycling Reminder

Recycling pick-up days, in Spirit River, are the 1st & 3rd Tuesday each month.

Get Ready for Winter: *Residential Driveway Snowplowing in Saddle Hills County*

With winter approaching, Saddle Hills County residents who would like their residential driveway snowplowed this season are reminded to complete a **Residential Driveway Snowplowing Agreement.**

Seniors and residents with disabilities are **eligible** to have their residential driveways plowed at **no cost**. All other participating residents are required to purchase Snowplow Flags, which are available at the Saddle Hills County Administration Building. **Current costs can be found in the County's Master Rates Bylaw**.

Residents who participated in the program last winter must complete a new agreement for the current snowplowing season. Agreements do not carry over from year to year.

Completing your agreement early helps ensure your property is registered for the program before the snow starts to accumulate and provides an opportunity for the equipment operator to view your property.

Saddle Hills County also asks you to move items away from the snow plowing area and if its not possible mark the edges of them with wooden stakes so the operators know where they are under the snow.

Once County Road snowplowing has been completed, crews will proceed with registered residential driveways as operational conditions and schedules allow.

To complete a Residential Driveway Snowplowing Agreement or learn more about the program, visit **saddlehills.ab.ca/home-properties-utilities/roads/snowplowing**.

2026 AG Year End Report ~ *MD of Spirit River#133*

In 2026 under our Roadside Mowing program, the MD of Spirit River had two Tractor Mower Operators working from June 1 to Sept 15. With wet conditions throughout the summer, they completed a shoulder cut on the entire MD (550kms) by August 15th. Later in the season when things dried, the mowers did a complete cut on 30% of the MD right of ways (the major Township roads and Range Roads).

Under the Weed Management Program, three Weed Inspectors inspected 90% of the MD throughout the summer. Approximately 110kms of right of way and 4 MD sites were sprayed this year for weed control. The MD of Spirit River's main Noxious weeds are Scentless Chamomile, Yellow Toadflax, Dames Rocket, Field Scabious, Canada Thistle, and Common Tansy. If you would like to learn more about these invasive plants, please visit https://abinvasives.ca/invasive-plants/.

Under the Pest Management Program, there were 19 clubroot inspections conducted, 3 wheat head inspections, and 9 grasshopper surveys completed in August/September. Grasshopper populations were very low and there were no diseases found in the MD of Spirit River.

Pest Control has been underway in the fall, removing beavers from various locations throughout the municipality.

Nardam Campsite was closed and winterized in October for the winter season. Throughout the season, the campsite was at 40% capacity which created a revenue of $14,000.

On behalf of the MD of Spirit River, we would like to thank all our Seasonal Workers for their hard work and dedication throughout the season to complete all these Programs. Not only did they take care of Roadside Mowing, and both Weed and Pest Management, they also maintained two Cemeteries, our beautiful Nardam Park, Public works yard, and the Administration Yard.

If you have any questions regarding our Agricultural Programs, please reach out to the MD's Agricultural Fieldman.

SNOWPLOWING

REMINDER *to* RESIDENTS

MOUNTIE MINUTE

As seasonal properties are prepared for the winter months, the Spirit River RCMP is reminding owners to take preventative measures to help safeguard their cabins, cottages, and recreational properties from theft, vandalism, and weather-related damage.

Properties that remain unoccupied for extended periods can become targets for criminal activity. Taking proactive steps before leaving for the season can help deter opportunistic thieves and provide added peace of mind throughout the winter. Sometimes a thief will squat in a cabin for a period too. We all remember Goldilocks and the Three Bears, but instead of some audacious burglar pigging out and complaining about the food and accommodations, it's a group of thieves touching all your things with their filthy paws, breaking some and stealing whatever they might be able to use or sell on Facebook Marketplace. In one instance, we recovered an entire living room set with décor and all. The thief in question placed all the furniture and decorations in their space and arranged it in the exact same way the victim had.

Property owners are encouraged to consider the following security tips:

- If you have a firearm, don't leave it in a vacant property, or anywhere unattended for a long period of time. Treat it like a gold brick. If you had a brick of gold, would you leave it laying behind the door like an old pair of cowboy boots? Would you leave it on the seat of your unlocked truck like a snowbrush? Would you leave it propped up against the washing machine like some dusty corn broom? Of course, you wouldn't. That would be ridiculous. If you answered yes to any of those, whelp, you're an idiot and you have no business possessing a firearm.
- Remove valuables and lock all outbuildings, sheds, and garages.
- Ensure doors and windows are secured with sturdy locks and pry-resistant hardware.
- Install motion-activated lighting, timers, or security cameras.
- Trim vegetation around entry points to eliminate hiding places.
- Shut off water and secure utilities to help prevent damage. If you decide to shut off the power and/ unplug the appliances, don't forget to clean out the fridge/freezer first!
- Clean out all food and crumbs to try to keep the mice away.
- Test all security equipment to ensure it is functioning properly.
- Ask a trusted neighbour or local contact to check on the property periodically.
- Arrange for snow removal or regular maintenance to give the appearance that the property is occupied.
- Secure recreational vehicles and equipment, such as ATVs, snowmobiles, boats, and trailers. Better yet, don't leave them behind. Instead, bring those to your main home.

You can almost picture what one of these thieves must look like before they're about to loot your cabin: hunched over, drooling, licking their lips, and rubbing their filthy unwashed hands together the way that flies do.

As I've said before: Money Doesn't Grow on Trees. So, protect your investment and don't become an easy target for these slimy trash bags.

RCMP Spirit River Detachment

And the Winners Are...!

The MD of Spirit River No. 133's 2026 Photo Contest has officially wrapped up, and we are delighted to announce this year's winners!

Congratulations to **Jo Ann Edey**, who captured First Place with a wonderful photograph of a Moose in a Granary, earning the $200 first place prize!

Our congratulations also go to **Janine Green**, whose beautiful autumn photograph of a Dog Surrounded by Fall Colours earned Runner-Up and the $100 prize.

A heartfelt thank you to everyone who participated and shared their photographic talents with us. From the beauty of our rural landscapes to the wildlife and everyday moments that make this area so special, your photographs offered a wonderful glimpse into life in the MD of Spirit River. We appreciate every entry!

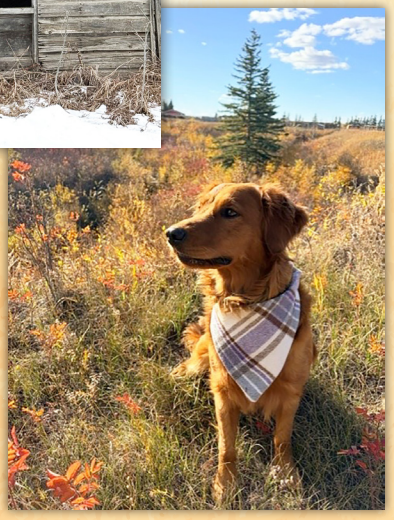

We would also like to extend a very special thank you to our contest judges, **Div Patel, Rhonda Yurchyshyn, and Jackie Lefley**, for generously volunteering their time and expertise to review the submissions and select this year's winners. Your time and dedication are sincerely appreciated.

Congratulations once again to Jo Ann and Janine, and thank you to everyone who helped make our 2026 Photo Contest another success!

Keep those cameras handy—we look forward to seeing what you capture next year!

Council to Consider DSR229 Recreation Development in 2027 Budget

Saddle Hills County Council has directed Administration to bring the potential acquisition and conversion of the Pouce Stock Pile Site (DSR229) to a Recreation Lease forward for consideration during the County's 2027 Capital Budget deliberations. The proposal will be based on the recreational development options selected by Council and will allow for further review of project costs, benefits, and future development opportunities as part of the budget process.

County Supports Central Peace Fire Fighters Association New Year's Eve Gala

Saddle Hills County Council has approved a $1,500 DJ & Entertainment Sponsorship for the Prairie Northern Lights New Year's Eve Gala, hosted by the Central Peace Firefighters' Association. Funding for the sponsorship will come from Council's Hospitality and Sponsorship budget. Council carried the motion in support of this community event, which helps bring residents together to celebrate the New Year.

Supporting Veterans Through the Poppy Campaign

Saddle Hills County Council has approved a $3,000 sponsorship for the Spirit River Legion's Poppy Campaign, with funding provided through Council's Hospitality and Sponsorship budget. The contribution reflects Council's continued support for local veterans and the annual Poppy Campaign, which honours the service and sacrifice of Canada's military members and veterans.
